About QTC Recruitment and Biotechnology

Europe's biotechnology industry is one of QTC Recruitment's main focuses. Differences between the development, production, and final commercialisation of a product are immense. Each phase requires a different approach. QTC Recruitment knows like no other how dynamic the biotechnology field can be. Throughout the past decade, we have been able to prove ourselves as a reliable recruitment partner in Europe, for both highly reputable and startup biotech companies. QTC Recruitment's biotech team is combining our expertise of the biotechnology industry with our knowledge of the pharmaceutical and clinical research sectors to deliver the best quality possible.
